[BRIEF DESCRIPTION ABOVE](#)

Who: All Arizona JOAD club youth participants. The World Archery Festival is an open tournament. Arizona JOAD Club membership varies from club to club. (If a JOAD club is not available to you, email azjoad@cox.net and we will find a club to compete with.)

What: Travel to the 2006 World Archery Festival, Las Vegas and compete individually and as part of an Arizona JOAD club team member. The Friday/Saturday 300 round score will be used for the team competition along with club participation bonus points.

Thursday: All should be sure to arrive in time to practice for a couple of hours on Thursday. Practice sessions move slowly, you will need a couple of hours to get comfortable. Also there is a lot of "visiting" that goes on at the practice range.

Friday: First 300 round. The schedule will indicate the time your group competes. Arrive at least 30 minutes early to set up and get ready. Since only one 300 round is shot per day, there is a lot of time to sight see and visit all Vegas has to offer.

Archery Show: The archery vendor show is fantastic. It's a great place to see all there is to see, bows, sights, stabilizers, arrows, string material, accessories. There are usually some good sales and give-aways.

High speed video: For the last three years, super slow motion taping via high speed video has been offered. Release, arrow flight clearance, follow through can all be seen in great

detail. Hopefully the taping will be offered again.

Shooters receive free entry into the vendor show, but non-shooters will need to buy a "guest" badge" that is good for the whole tourney. Buy it ahead when you register. It costs more at the door.

Lectures: There are a variety of lectures on many different topics, review the schedule early and attend a few.

Saturday: The second and last 300 round for youths. Check the schedule and arrive early. The awards ceremony usually takes place in the early afternoon.

Sunday: The adults continue to compete. Families are free to enjoy Vegas and then travel back home.

Where: World Archery Festival at the Riviera Hotel and Casino in Las Vegas, Nevada. Many will want to stay at the Riviera for convenience. There is an abundance of lodging options nearby. Note that the Vegas Strip is known for traffic jams. Allow sufficient time for travel.

When: February 9-12, 2006. Weather in Vegas in February is similar to the weather in the Arizona Desert.

How: Each Arizona JOAD Club is to encourage their JOAD archers to compete in the World Archery Festival, Las Vegas. You will need your own equipment. Let your club leader know that you want to compete at the World Archery Festival as part of the club. Registration and travel is taken care of individually at most clubs.

- The event is ideal for ride and room sharing.
- Register for the tournament: Information will be on www.nfaa-archery.org when available. The NFAA age divisions are different from the NAA categories. Review the age and equipment division descriptions.
- Make hotel reservations: Be sure to arrive on Thursday to take part in practice.
- Car Travel: Many will want to travel by car. It takes about 6 hours to drive from central Arizona, assuming no road delays. When traveling to Nevada, Arizonans gain an hour because of the time change.
- Air Travel: Some will want to fly. Vegas is very easy to get around without a car. A one-way taxi ride between the airport and the Riviera is about \$15. (The exciting adult championship takes place Sunday afternoon; schedule a late flight if you want to watch it.) Note that Sunday evening flights are often behind schedule.
- Equipment: Get your equipment ready. You will need at least 3 arrows to complete. Six is recommended, as robin hoods are common. Check the bow from tip to tip to make sure all is in good order. Replace anything that is in question. Note that there is no dress code to speak of, BUT matching Arizona JOAD club team shirts look cool.
- Practice: All will be competing at 18 meters, about 20 yards. Practice as much as you can.

How much: Travel, lodging, food, and World Archery Festival registration fee. There is also the expense of missing a day and a half of school. Based on the feedback AZJOAD receives every year, the expense is worth it for the entire family.

Why: JOADs will see what its like to compete in a National Tournament. Arizona Club member teams will compete in a Statewide Arizona JOAD Club competition. The Vegas shoot is an ideal goal for youth archers and their family. Serious Fun...
