PLACE: Payson, AZ (75 miles north of Mesa on Hwy 87). See map at end of this form or on website www.azarchery.com for directions to the shooting range.

NOTE: In June, temperatures may be in the 90's. There are chances of afternoon showers, but rarely overnight rain. The shooting range has outhouse facilities. Camping will be allowed at the range Friday and Saturday nights. There is no electricity. No open fires.

If Arizona sustains heavy rainfalls just prior to the shoot, we suggest you call Harold Rush on Friday to check on Field conditions before you drive up to Payson. The range can become too muddy to shoot.

Everyone is invited!

Saturday evening there will be a pot-luck cook-out at the home of Harold & Barbara Rush. There will be a gas grill available. Come for good food and archery discussions.

Showers available to anyone at his home.
