

**2008 BASF FITA RANGE ASAA  
EQUIPMENT INVENTORY, FIX UP AND STILL TO DO LIST:**

September 29, 2008

ASAA Volunteers inventoried and rehabilitated ASAA equipment at BASF in preparation for the up coming season. Thanks to BASF the range makes a great full width canopies and weed free first impression.

**Upcoming Purchases:**

1. The ASAA will be purchasing this year:
  - A. Replacement target stand numbers,
  - B. Solid wagon tires,
  - C. American White tail target cores and targets matts
  - D. 2-way radios this year.
  - E. Umbrellas at Judge's line stations
2. We would like to construct 10 – 12 fully collapsible target stands dedicated for indoor use.
3. A long term plan is to sell the 16' trailer and replace it with a 40' shipping container.
