OCTOBER 2008

Arizona State Archery Association

NEWSLETTER

2008 Arizona State Field Championship

The Arizona State Archery Association's State Championship for FITA Field was held on October 18 & 19 at the Usery Mountain Archery Complex just outside of Mesa, Arizona.

The weather was all Arizona, HOT! It was in the mid-nineties both days and 26 Archers braved the heat, consuming eight cases of water.

This was one of the largest turn-outs for this event and for the first time there was a large group of JOAD Archers entered, with a total of 8 JOADs with many new to field.

Special thanks to **Richard Doria** and **David Twigg**. Without their dedication to the sport, Field Archery in Arizona would have faded away.

Thanks to the Maricopa County Parks and Recreation Department and Jennifer Johnston for the great facility and thanks to camp host Charles Winder. Without Charles, archery doesn't happen at Usery.

Here were the facts:

- Temperature in the mid-nineties.
- 26 total Archers, 8 JOADS, 16 Compounds, 4 Recurves and 6 Barebow.
- 8 cases of bottled water and 12 bags of ice.
- Two deer spotted.
- Results: www.azarchery.com/results/FITA_Field_Results_2008.pdf See you next Year.

2008 ASAA Triple Crown Award

The ASAA instituted a Triple Crown Award sometime around 1995. The association wished to recognize the best all around male and female archer each year. It was decided to use the 3 state championships as the basis for this determination; those being the indoor, outdoor and the field tournaments. The divisions would be Olympic recurve, compound and barebow for a total of 6 categories.

To be eligible, the archer must shoot the adult senior distances and shoot in all three championships. At each tournament the archers were ranked according to their scores with the highest score being assigned a value of 1, next highest a value of 2, etc. Each archer then would have 3 values, one from each tournament which then were added to obtain the archers overall ranking. The best overall ranking score would be a 3 meaning the archer was #1 ranked in each tournament.
