

2009 JOAD National Mail-In Tournament Results

FOR IMMEDIATE RELEASE

February 10, 2009

Maricopa, AZ. – The 2009 JOAD (Junior Olympic Archery Development) National Mail-In was shot January 1 – February 1 across the country. The event featured over 460 youth and senior archers. Over 40 JOAD club teams also took part. The event raised over \$5,300 to help support the unfunded USAA Junior World Team archers. Participation and funds collected was more than double that of 2008.

“The event was tremendous this year thanks to the volunteer tournament director’s hard work to make the event fun and easy” Bob Pian, USAA JOAD Committee.

The archers shot an official score on their home indoor or outdoor range and then mailed the scores to be tabulated. Youth archers are divided by age into four different categories: Junior, Cadet, Cub and Bowman and divided by a wide variety of bow types. USAA membership was not required this year. Male teams and female teams were made up of archers shooting the same bow type.

Contact Barbara Larrick, joad4kids@yahoo.com with comments for future online events and suggestions in general.
