

2010 Arizona State Archery Association FITA Field Championships

Hosted by Usery Mountain Archers at Usery Mountain Park, Mesa, AZ.

October 9 &10, 2010

The weather was perfect for the two day FITA Field championships. Both the Arizona State FITA Field and the JOAD State FITA Field Championships were held at Usery Mountain Park Archery Range in Mesa, Arizona. For the first time in recent memory the number of bare bow shooters and long bow shooters outnumbered the compound bow archers, and history was made as the first Cross Bow FITA Field Champion was crowned. Arizona may well be considered the hot spot of FITA Field in the United States with two internationally ranking FITA Field tournaments held yearly. Arizona has highly active bare bow and long bow archers (old school shooting with no sights and using wood arrows) in FITA Field. There were twenty-one archers at this years tournament. This year's shooting dates had a conflict with a major archery tournament in California, such things happen in archery, and be that as it may, Arizona had a sizable turn out.
