It was a great weekend for a Duel. Unbenounced to each other, AZ and CA teams showed up with the same color team shirts this year. We all looked great in Maroon. AZ had four missing team members but that didn't stop them from stepping up to the line and giving it there best. CA pulled a full team together and came through for the win. Final score: AZ - 346, CA - 638. Everyone had a good weekend of shooting and socializing. Thank you to all of you archers that came out to shoot with us. We hope you enjoyed your weekend. Thank You to everyone that helped out on and off the field before, during and after the tournament. You are very much appreciated. We hope to see you all next year.
