Most exciting conclusion to the individual championship was when Yari Lipponen and shot a perfect 30 to win. What a climax to an exciting round.

Several seminars were held by such well-archers as Tom Stevenson Jr., Don and Ed Eliason all associated with A fantastic round table discussion of Andrea Parenti, Tomi Poikolainen, Parker, Jay Barrs, Petra Ericsson and Fairweather. These seminars were very informative and enjoyable. The members of the Arizona Cup Committee wish to express their appreciation for the time and effort put out by these fine competitors.

At the conclusion of the individual competition, resident Jim Easton was present to congratulate the champions on the field. Team competition included twenty-three teams (men and women) and thirteen individual teams. The exciting conclusion on the line was the shoot off between Norway and Finland (the "FAT" Boys - Finland Team) won by 2 points. On the women's final competition was between the

USAT-A and USAT B. USAT-A won by a solid 12 point lead.

A very enjoyable banquet dinner was catered by Macayo's with a mariachi band for everyone to enjoy. It was truly a gathering of people from around the globe.

Due to the recent changes in FITA rules, this was the first tournament of this type in the U.S. to offer cash prizes. The gold medalists were awarded \$300.00 each. This came as a surprise to many of the shooters when the awards were given at the banquet. Cheers came from the Swedish Team as Christa Backman received her award. Alison Williamson, Great Britain and ASU, was awarded airline travel in order to avoid conflicts with her national governing board in Great Britain.

Also, congratulations to James and Kathi (McCart) Loesch on the birth of a baby girl during the competition. Since Kathi was over due, all were waiting for her to go into labor. Good Luck in the Future.

A big thanks to the hard working members of the Arizona Cup Committee who provided the shooters with yet another fantastic tournament. Thanks to Sheri Rhodes, Rick McKinney, Kevin Erlandson, Steve Lewis, Wendy Erlandson, and Muriel Alston. Without these people, there would be no Arizona Cup. We hope to see a Fifth Arizona Cup in 1993!

Good luck to all the competitors who find their way to the Olympics. Now that you have this experience behind you, it should be easy! (Never!)
