OPTICAL PERFECTION

Leave your glasses on: Unbeatable eye relief provides a full field image

Go out in the rain: Sealed against moisture and dust penetration

From dawn 'til dusk: Superior lenses and multi-coating maximize brightness and clarity all day

Won't weigh you down: Built on lightweight magnesium frame

8x42, 10x42, AND 12x42 DCF HIGH RESOLUTION BINOCULARS

SEEING IS BELIEVING

INTERNATIONAL TEAMS

Carbon Impact

THE ULTIMATE DAMPENING SYSTEM

Carbon Stabilizer

The Carbon Stabilizer System features wrapped fibers (GUIP) resulting in increased dampening properties, reduced weight and optimized balance. From the ProComp, Hydraulic and Uni-Vbar to the Multi-Rod Carbon Series these stabilizers are truly the most advanced in the world. Also ask your dealer about the new Ultrafast and Big Game Carbon Arrows and experience what hi-tech shooting is all about!

— Important Safety Notice —

Jennings Archery and Fred Bear Compound Bows

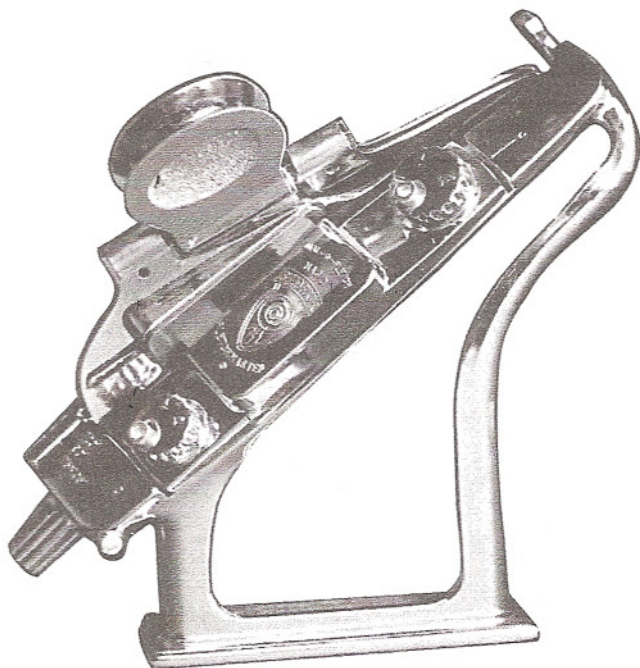

Jennings Archery and Fred Bear Bowhunting Equipment Company bows equipped with the SuperCam eccentric, which include the Fred Bear Code and the following Jennings models: Barracuda Air, Buckmaster, Buckmaster Lite, Performance One, Pro Gold, Pro Gold XS and SpeedStar Air are delivered to customers with an optional draw stop. We have recently redesigned the draw stop because of reports that the bow's power cable can hang up on the original brass draw stop.

We urge you to immediately remove the original brass draw stop from your bow, if you have one in place, which you can do in a few seconds with a 3/32nd Allen wrench. If you continue to use the bow with the original brass draw stop installed, there is a risk that the bow's power cable could hang up on the stop, leaving the bow in the full draw position. This could result in an accidental dry fire, which may cause serious personal injury.

We are offering the new draw stop, called the SuperStop, free of charge to all SuperCam bow owners. To obtain your SuperStop and complete instructions simply call toll-free (800) 793-0619. For questions, or for your closest dealer, call (800) 874-4603.
