At the end of the 10 seconds, one sound signal shall start the 20 second shooting period for the first athlete in the match or the 30 second shooting period for the Para Archery tournament match. As soon as the first arrow is shot and the score is posted or the time runs out, the countdown clock for the opponent athlete is started to indicate the appropriate 20 or 30 second shooting period to shoot one arrow.					
The athletes of the match shall continue to alternate their shots following the countdown clock visual signal until each athlete has shot his three arrows or the athlete is sure he can no longer win the match. The losing athlete may then vacate the shooting line and congratulate the winner.					
If the time runs out a sound signal shall indicate to the other athlete/team the start of his/their time period or the end of the end/set.

13.2.3. In the Team Event Finals Rounds (alternating):			Book 3	13.2.3	Page 12, Description
The higher placed team in the Qualification Round shall decide the order of shooting of the first end. The team with the lower set points score for recurve and barebow or lower cumulative score for compound shall shoot first the next end/set. If teams are tied, the team which started the match shall shoot first					
Each team has to alternate between their members after each shot so that each member has shot one arrow in each phase of the rotation.					
When the first team has shot three arrows (two for Mixed Team) and the athlete has returned behind the 1m line the clock of that team is stopped, displaying the time remaining;					
When the score of the last arrow of the first team is displayed on the scoreboard, the clock of the second team is started and the first athlete of that team may cross the 1m line and start shooting;					
The team that shot first in the match shall start shooting the shoot-off and the alternation between the teams shall take place after every shoot off arrow.
