ARIZONA CUP 2006 UPDATE – MARCH 27, 2006

This message went out to the 2006 registered archers, Judges and volunteers, other helpful people and previous attendees. If you do not want to receive Arizona Cup emails, please respond with "Remove"

Greetings from sunny Arizona, today is 75 degrees F (24 deg C)
Longterm forecast for Wednesday April 5 is Sunny and high of 83 degrees F (28 deg C)
(But things do change, be prepared for any weather)
Remember to bring your sunscreen and hats and drink lots of water. Don't touch the cactus. They bite back.

It is 8 days and counting till the Arizona Cup.

Statistics as of today:

- 207 Archers (82 Men Recurve, 49 Men Compound, 52 Women Recurve and 24 Women Compound)
- 11 Countries
- 31 States
- 15 Colleges and Universities
- 24 of 26 current USAT members
- Olympians and World Champions
- The International Team Competition in Men Recurve (USA, Netherlands, Armenia, and Canada) and Women Recurve (USA and England)
- The Open Team Competition encourages Collegiate, Corporate, Multi-Nationals, and anyone else that wants to shoot the new team round format. Sign up at the field for the Open Team. Not on a team.... we can probably hook you up.

Remember - Check-in, Equipment inspection and Practice Day is on Wednesday, April 5 starting at 1:00 pm. Competition starts on April 6

Due to the high number of Men Recurve, there will be a cut to 64 Men Recurve archers for the 1/32 round for Friday afternoon.

Byes will be granted in the other categories.

All 1/32 OR rounds will occur on Friday afternoon as originally published.

Brush up on your new 2006 FITA rules, especially the changes for Team Rounds and Alternating Arrows, by visiting FITA at <http://www.archery.org/>

Dress Code is in affect. Reminder: white, navy or khaki pants or an official archery team uniform from a Registered College or the NAA or other NGB, no tie-dye, no denim, no camouflage, men = shirts with sleeves, women = sleeveless if 3" or wider straps. No bare midriffs. Must wear footwear (this means shoes or sandals suitable for walking in gravel (and maybe some stickers). Advertising limit to meet NAA and FITA rules. Raingear is allowed in other colors when inclement weather is announced or obvious.

The Roadshow is shaping up and we welcome this years vendors to the inaugural Roadshow (Thanks for taking a chance on us)

- **Old Pueblo Archery** (featuring PSE bows and specializing in target archery) www.oparchery@peoplepc.com
- **Cloud Burst Harvest** (featuring Beiter products and A&F products)
- **US and International Archer** (help Arlyne celebrate 25 years of archery news) www.usarcher.com
- **BCY Bowstrings** (BCY has your number!) www.bcyfibers.com
- **Lancaster Archery Supply** (Your Everything in Archery Source) www.lancasterarchery.com
- **Gold Tip arrows** (The Toughest Arrow You'll Ever Shoot) (www.goldtip.com)
- **Hips Targets** (www.longhornarchery.com)

Lancaster Archery Supply has a special offer since they cannot bring their inventory with them:

- if you order from Lancaster Archery by **Thursday, March 30th**,
- We can ship all INSTOCK items to Phoenix for pickup,
- Browse their website at www.lancasterarchery.com
- Please be sure to indicate that you want Phoenix delivery
- Avoid custom duties and huge shipping fees by acting now. Great opportunity for our out of country guests.
- We wish you good luck and good shooting!!! Rob Kaufhold and the Lancaster Archery Staff

There may be a few surprises courtesy of our Roadshow vendors! Debbie Krienke, Roadshow Coordinator

Please check the registered list to see if you are listed and that your name is spelled correctly and your category is correct.

http://www.azjoad.com/2006azcup/registered_list.htm

If you did not sign a waiver, please be prepared to sign a waiver at check-in. The content of the waiver can be seen on the Registration Form.

If you owe money, please have exact cash or close to it in US dollars and we will accept a personal check drawn on US banks. We do not take credit cards.

I will be posting an alternate "surface roads" route under Maps.

The Interstate 17 is still the primary route, but we wanted to give you an emergency alternate route. Allow extra drive time, I-17 is busy. There are now control lights at the I-17 and Carefree Highway interchange which has helped.

Saw on an ArcheryTalk thread regarding Ben Avery... "if you can shoot it, bring it!" You are welcome to use the other ranges for free on April 5 - April 8 with your paid tournament registration. (Ben Avery is serious about Safety, no goofing off)

Any archer is subject to unannounced drug testing by USADA. Know the facts before you come. <http://www.usantidoping.org/>

If you are a spectator and want some other entertainment during the shoot, consider volunteering. Contact Kari Granville (Tournament Director) at sundevilarchery@yahoo.com

Unfortunately we did not reach the minimum order for Tournament hats... so no hats for this year.

There will be Tournament teeshirts available for purchase in limited quantities and sizes.

We will have some FITA distance targets set up on practice day, but the majority will be at 70m.

Thanks and we look forward to seeing you all,
Janice Price
