*The AZ JOAD Team Vegas Showdown is a long-standing tradition for our JOAD Club team archers. Typically, three AZ JOAD club teams compete against one another for the honor of first, second and third place trophies. This year it is unclear if we will have three teams to compete. It only takes three archers from each club to make up a team. At this time, I believe Corner Kidz is the only AZ JOAD club officially participating in the World Archery Festival as a team.

Club Coaches & Parents! Please contact me if you have any JOAD archers traveling to the World Archery Festival on their own (not as part of a club team) and indicate whether or not you have a parent willing to organize scores for the AZ JOAD Team Vegas Showdown.
